

FRONTSTEPS®

WordPress Themes

How-to

Beginner's Guide

Logging into your website

WORDPRESS

Step

1

Go to your website's URL.

[Example: <https://www.website.com>]

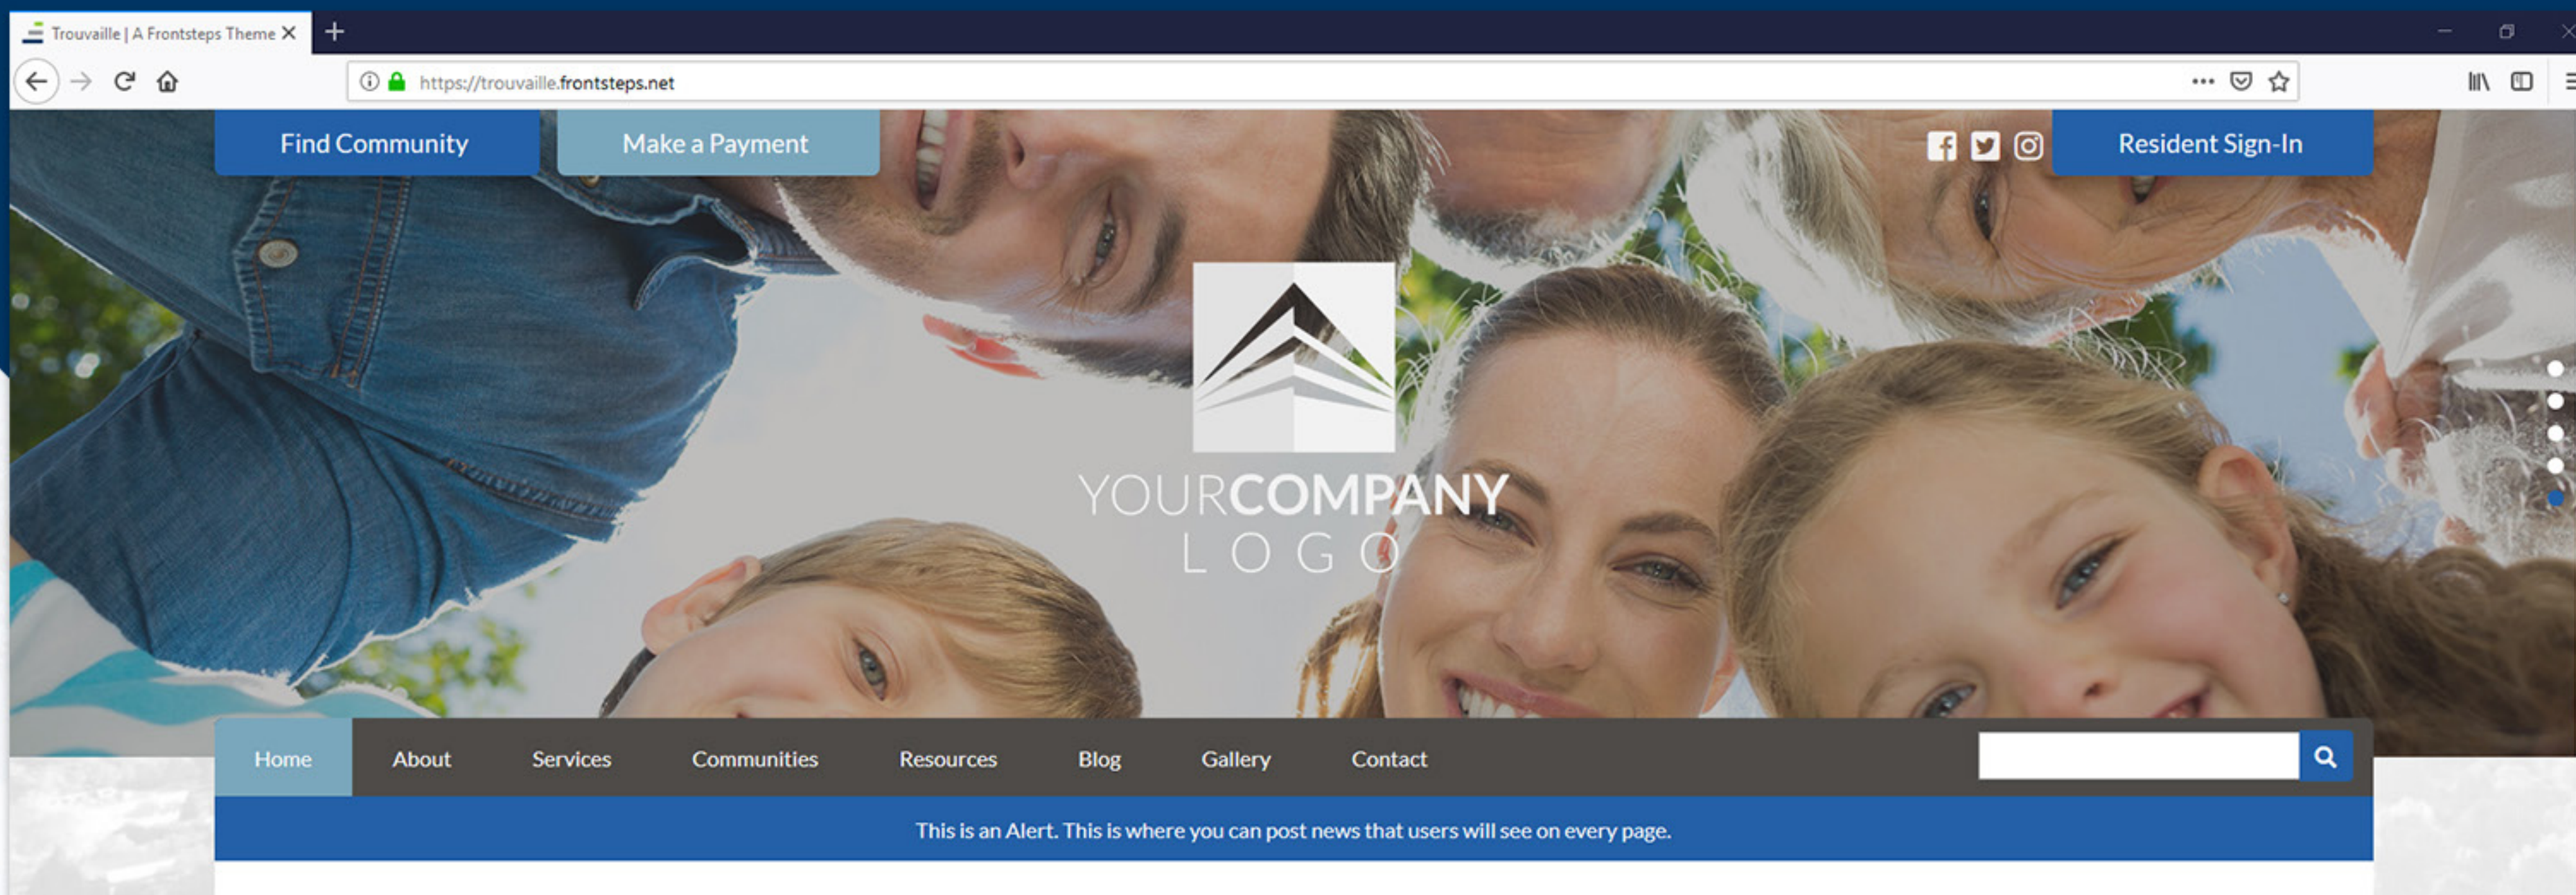

Step

2

There are **two options** to log into your WordPress website.

Option #1 - The direct URL.

Option #2 - The footer admin link.

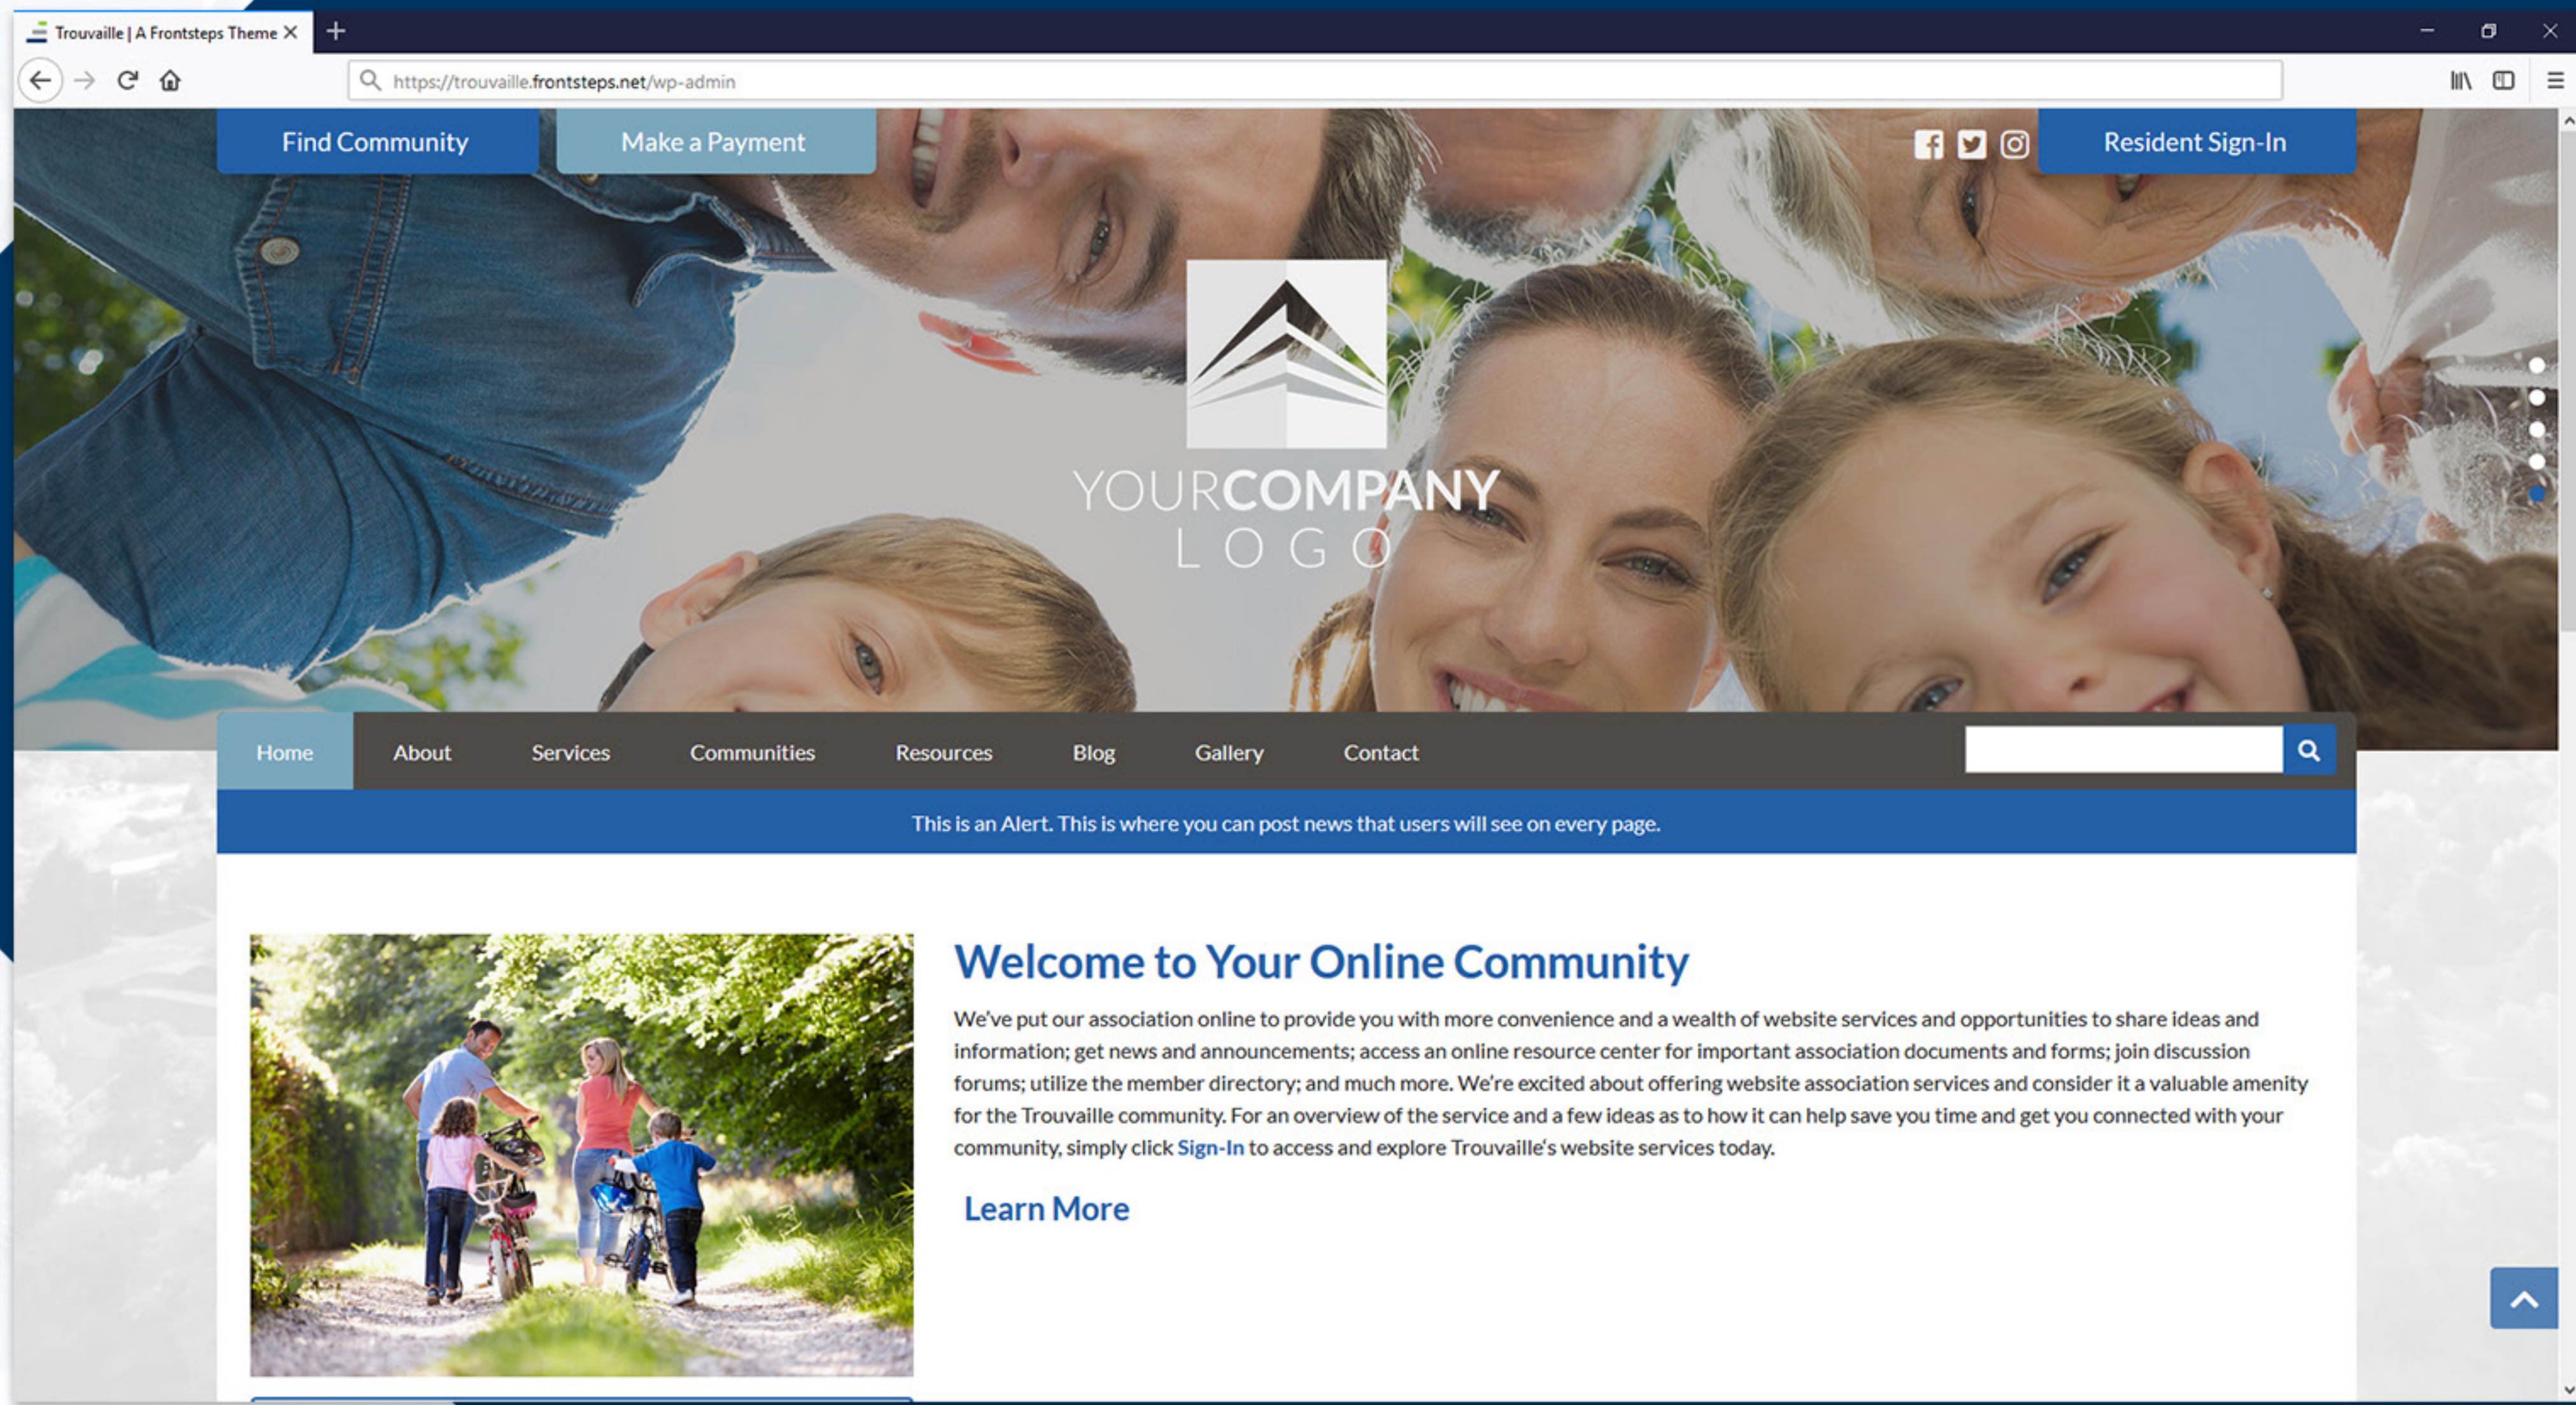

Step

2

Option #1

Adding */admin* or */wp-admin* to the end of your website's URL.

[Example: <https://www.website.com/wp-admin>]

This is an Alert. This is where you can post news that users will see on every page.

Welcome to Your Online Community

We've put our association online to provide you with more convenience and a wealth of website services and opportunities to share ideas and information; get news and announcements; access an online resource center for important association documents and forms; join discussion forums; utilize the member directory; and much more. We're excited about offering website association services and consider it a valuable amenity for the Trouville community. For an overview of the service and a few ideas as to how it can help save you time and get you connected with your community, simply click [Sign-In](#) to access and explore Trouville's website services today.

Step
3

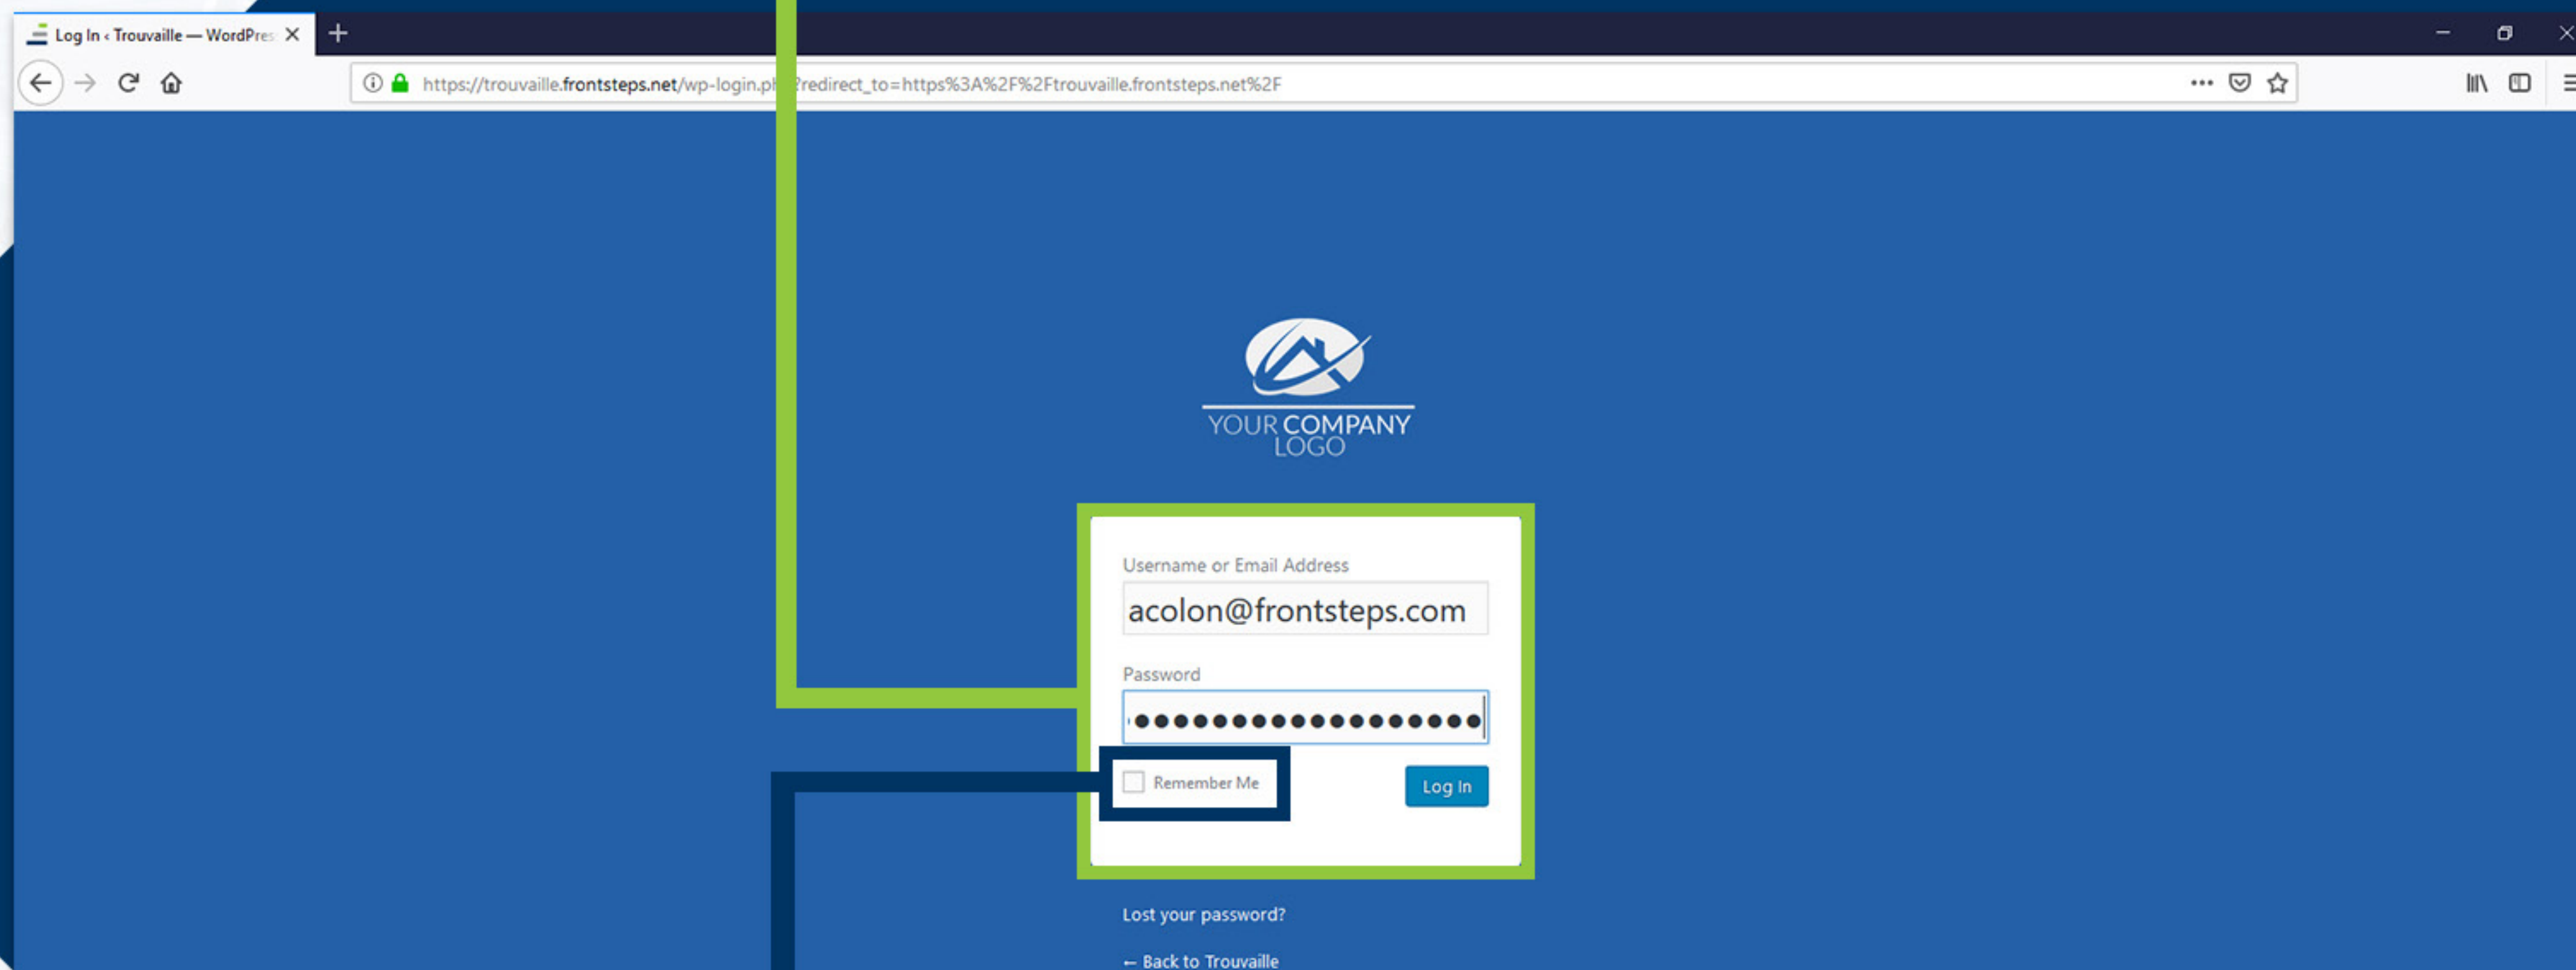

After Step 2, you should now find yourself on your website's login page.

Step

3

You can now utilize your provided login **username** and **password**.

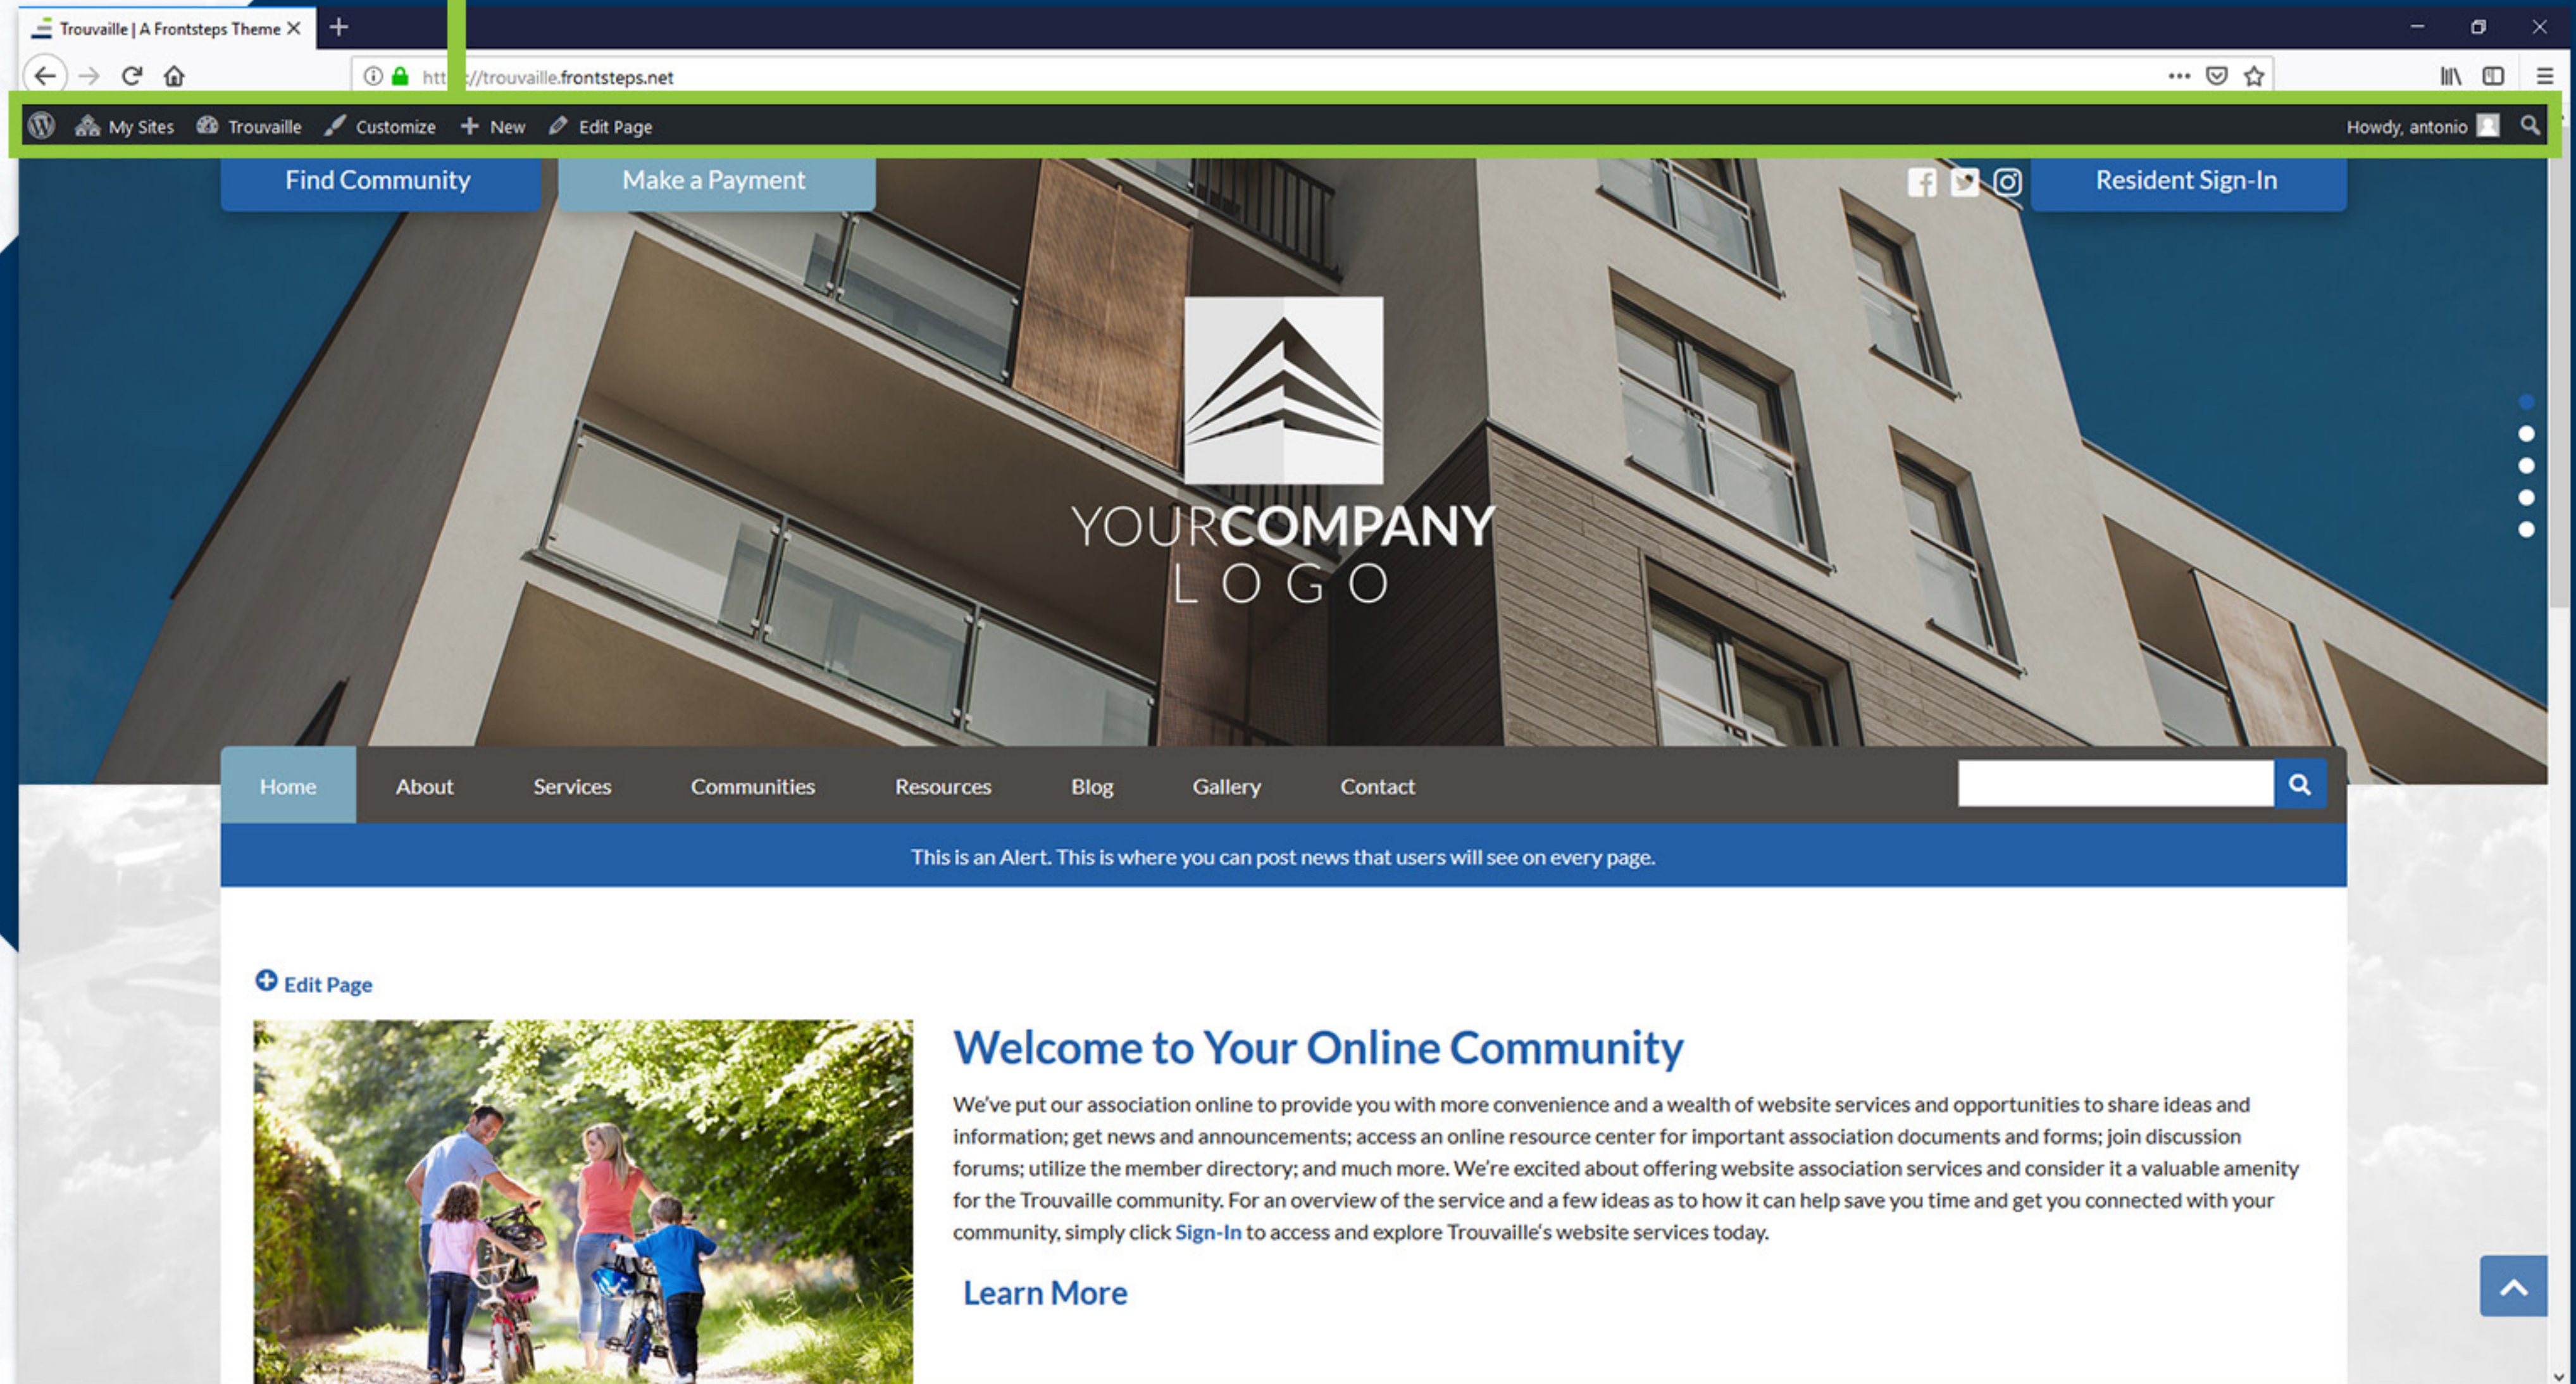

The **Remember Me** feature enables you to stay logged in for up to 14 days before having to re-input your login info.

COMPLETE

Success! You are now officially logged in.

The appearance of the Admin Menu is also a helpful visual indicator.

You have reached the
end of this tutorial.
